CC Docket No. 95-116; WC Docket Nos. 09-109 and 07-149

STATEMENT

On January 24, 2018, the NAPM LLC filed an ex parte in the above-referenced dockets containing several statements about the conduct, performance, and statements of Neustar, Inc. (the "NAPM LLC January 24 Ex Parte"). For purposes of explanation, certain statements contained in the NAPM LLC January 24 Ex Parte were based on the NAPM LLC's interpretation of Neustar's January 16, 2018 ex parte. Based on subsequent clarifications by Neustar, the NAPM LLC desires to correct the record as follows.

The NAPM LLC and Neustar have worked cooperatively to resolve their differences over the cutover from Neustar to Telcordia Technologies, Inc., dba iconectiv. Contrary to the NAPM LLC January 24 Ex Parte, the NAPM LLC clarifies as follows: (1) there is no basis for any suggestion that Neustar is unfit to continue and undertake any new public or private contracts, (2) Neustar has not willfully delayed the cutover for its own gain, (3) Neustar has complied with its legal and contractual duties to the NAPM LLC in the performance of its duties as the LNPA during the cutover process, and (4) Neustar is and at all times has been working in good faith to cooperate with the timeliness of the cutover. The NAPM LLC withdraws such statements in the NAPM LLC January 24 Ex Parte and corrects the record as set forth above.
